To its right, a large, ornate clock tower with a white facade and a tall, thin spire stands prominently. The tower has two circular clock faces on its lower levels. In the background, a multi-lane street with cars and a river or canal are visible. The sky is clear and blue. The text "WHY MONROE?" is overlaid in large, white, bold letters across the center of the image.

WHY MONROE?

The City

Multiply Community Church will be planted in Monroe, North Carolina. Monroe was founded in the middle of Union County in 1843. In its early development, less than 200 people resided in Monroe. However, today's **population is 35,000** and is projected to grow more each year. Many families reside in Monroe and Union County and commute to work in the Charlotte area.

The North American Mission Board and the North Carolina Baptist State Convention have placed three areas in Monroe on their list of **250 Pockets of Lostness** within the state. These Pockets of Lostness are places where there is a need for a church plant. The particular location in Monroe where we will plant is 49th on the list of 250.

WITHIN THE TARGET AREA

Within the target Pocket of Lostness there are **7,687 households** and **5,295 are unreached** with the gospel of Jesus Christ. ***Fifty-four percent of the population is Anglo, 30% of the population is African American, and the remainder are Hispanic or other races.*** This area continues to change demographically and within the next 10 years Monroe is projected to have moderate growth. MCC looks to be intentional in contextualizing (**1 Corinthians 9**) the gospel in order to reach these diverse groups of people. In 2017 **millennials** and **Gen-xers made up 60% of the target population.** This shows that half of the population consists of young families. MCC will also be intentional in reaching these families by bridging the gap between the home and the church. The foundation of this bridge is built by building the family of God.

Religious affiliation is low in this area, therefore MCC will seek to **engage this community by pointing them to Christ.** Our desire is not to draw a big religious crowd, but to point the crowd to Christ so that true conversion can take place. We are not only looking to engage the community's religious affiliation, but we will also seek to **engage the socio-economic sphere** as well. Poverty is somewhat low in the area, however there is still a physical need within the community. Ninety-five percent of students at East Elementary School, 86% of students at Monroe Middle School, and 79% of students at Monroe High School are eligible for free or reduced lunch. MCC will seek to **transform the community through community involvement** by developing a partnering relationship with local schools, emergency personnel, medical professionals, and realtors. MCC seeks to establish and maintain these relationships for long lasting gospel impact.

Purpose & Call

OUR VISION

MULTIPLY COMMUNITY CHURCH SEEKS TO BE A UNITED COMMUNITY IN CHRIST WHO DESIRES FOR ALL TO KNOW CHRIST (**FAITH**), GROW IN CHRIST (**FAMILY**), AND GO TELL THE WORLD ABOUT CHRIST (**FOCUS**).

The Lord has given my wife and I the privilege to serve Him together for the past eleven years.

He's also given us a passion for the lost and His church. For the last five of these eleven years, we have developed a holy discontent with the number of churches that are closing their doors each year. One of the reasons churches are closing is demographic changes and the church's unwillingness to change to reflect their community. As churches close, there is a pressing need to plant new churches. One of the major ways the gospel spreads is through the planting of new churches.

The millennial generation is leaving the church at a rapid pace. In order for the church to continue to flourish, we need to be willing and able to reach a changing generation and demographic. Ed Stetzer said, "The newer a congregation, the more effective that church is in reaching those who do not know Christ. The most effective method of evangelism is church planting." Our

passion is to see those of all ethnicities saved and disciplined. We believe that a multi-ethnic and multi-generational church will have a global impact. This church must love all as Christ called and commanded us to. As we see His love put on display through God's people, we will see this global impact at work.

In order to foster these changes, it is imperative that we begin by looking to Scripture. John wrote, **"A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another. By this all people will know that you are my disciples, if you have love for one another."** (John 13:34-35) This verse is the mission for planting **Multiply Community Church**.

As the people of God lived out the truth of these verses in my teen years, it resulted in my salvation. These verses have led me and my family on a journey to plant a multi-ethnic and multi-generational church in Monroe, North Carolina. Our prayer is that we will be led by the Holy Spirit to lead many to Christ.

WHY PLANT MULTIPLY?

1. We are commanded by God to make disciples of Christ. Impacting lostness is the foundation behind church planting.

Ed Stetzer said, "Church planting is not about swapping sheep but reaching the lost."

2. People need to be loved, led, and fed to multiply Christ's love.
3. People need to be a part of a church that reflects the multi-ethnicity that is represented in their community.
4. People from every nation will be in heaven and we must be a church that plants churches all over the world.

Core Values

Communication

Word of God

We believe that the Bible is the only inerrant, infallible source where hope, peace, and direction for life and Christ-like-ness is found.

Prov 30:5, Psalm 119:9, 11, John 17:17, 2 Tim 3:16-17, Heb 4:12

Preaching

We believe preaching is the communication between God and man through the power of the Spirit that brings conviction, repentance, faith, and salvation. It is the primary means by which one is saved.

Rom 10:17, 10:14, 2 Tim 4:2

Prayer

We believe prayer is the conversation between God and man that fosters clarity, conviction, humility, and direction for His people. There is power when God's people pray.

2 Chron 7:14-15, Luke 10:2, Matt 6:5-13, 7:7-8, Acts 1:12-14, 6:4

Worship

We believe that worship is done in everything that we do at MCC. In particular, our music seeks to be intentional so that all may worship Him.

Psalm 96:1-3, 150, Col 3:16, Eph 5:19-20

Commission

Mission

We believe the mission of God is the rescuing of people from Satan by God through the death, burial, and resurrection of Christ. It is the church's task to go and tell about this mission; that he has ransomed people from every tongue, tribe, people, and nation.

Gen 12:3, 18:18, 21:17-18, Rev 5:8-9, 7:9-10

Multiplication

We believe that as the message of Christ's love is proclaimed it leads others to come to know him. As a result, the church grows and is expanded to the ends of the earth.

Matt 28:19-20, Acts 1:8, Rom 10:15-17, 15:19-20

Leadership Development

We believe that those who follow Christ will also reproduce themselves through a discipling process with others.

2 Tim 2:2, 1 Cor 11:1, Gal 1:23-24

Community

Unity of the Body

We believe that in order to have community, humility and unity have to be present. Humility and unity give witness to a watching world of our relationship with Christ. Out of the overflow of humility and unity, God's people are called to be generous and compassionate to those who have physical or spiritual needs.

Acts 2:42-47, 1 Cor 12, John 17:20-21, 13:34-35, Luke 10:27, 1 John 4:7-14, Rom 12:9-13

Strategy

KNOW CHRIST

Our desire is for you to gather together in worship under the preaching of the Word, worship through song, and fellowship of Christ in order to come to know him.

GROW IN CHRIST

Our desire is for you to grow together by finding community through growth groups. These growth groups are filled with fruitful teaching and true fellowship. As you engage in this community, our hope is for multiplication to take place in you and through you.

GO TELL ALL ABOUT CHRIST

Our desire is for you to gather with the purpose of scattering to tell the whole world about Christ's death, burial and resurrection. This is done in your every day conversations at home, work, school, or on a mission trip around the world. This is possible through our commitment to sharing His Love with community through our evangelism & discipleship efforts.

1-YEAR FRUIT

FOCUS

on Christ's finished work as we evangelize in the community. He is the one that will provide the increase. We are petitioning the Lord to save 120 people.

REPLICATE

Christ's love to a watching world. Our desire is to be intentional by replicating his love. This will be done as we establish relationships in our neighborhoods and other places we frequent.

UNDERSTAND

the barriers that keep people from worshipping Christ and find ways to break down these barriers. We are petitioning the Lord to help us break the barriers of race, socio-economic status, generational gaps, and Christ-less education. Our goal is to reflect the kingdom in each one of these areas.

IDENTIFY

Christ followers and send them out to start more discipleship groups. We are petitioning the Lord to help us launch 12 new growth groups in common spaces. Each group consists of 3-5 people and the end goal is for each member to start a new group.

TRAIN

up a church planter whose desire is to reach the county for Christ. Our desire is to be a church planting church that seeks to multiply His love all over the world. We are petitioning the Lord to raise this individual up so that we can send him out.

SHANE WILBANKS

**SPEAKER, ARTIST, ILLUSIONIST
MAKEKNOWNMINISTRIES**

I've met many ministers over my 25 years serving the local church, but none like Quintell Hill.

Quintell and his sweet family are a walking example of the power of the Gospel, a picture of God's church and the presence of God. I encourage you to get to know him, his story and vision, just as I have.

Quintell is a man of God who loves God's Word and desires to make Christ known to all. He has personally overcome many obstacles in his life and I know that God will use his strong endurance and commitment to the church in his future church planting endeavors. Quintell has biblical vision for church planting and a heart to see God's Kingdom on earth as it is in heaven.

BRODY HOLLOWAY

**CO-FOUNDER AND EXECUTIVE DIRECTOR
SNOWBIRD WILDERNESS OUTFITTERS**

I have known Quintell Hill for over ten years and in that time, we have had the opportunity to partner for the gospel in discipling others, as well as equipping pastors and student pastors for local church ministry. Quintell has a passion for proclaiming the Gospel and equipping the local church to make disciples of all people. Quintell is a gifted and faithful preacher who handles the Word of God with humility and clarity.

Quintell is intentional to engage people relationally in local church ministry and is also faithful to build and grow the body corporately through effective and biblical ecclesiology. He has a strong and biblical view of the local church model and ministry as laid out in the New Testament. Quintell has the potential, tools and personal background to not only see the need for a unified and racially diverse Church, but also has the unique gifting and experience to lead in the conversation of making it happen. I am thankful for his friendship and consider it a joy and honor to call him a partner in ministry for the Gospel.

JAMIE WEATHERS

**PASTOR OF FAMILIES/YOUNG ADULTS
FBC LEESBURG**

Quintell Hill is one of the most energetic and passionate preachers I have ever known. His desire is clear from the start; study the word of God, for it is “the power unto salvation” and communicate it to the lost. In Romans, Paul speaks about the Holy Spirit being poured into us. Quintell is a man filled with the Spirit of God and uses that pouring to pour into the next generation. His unique background gives him a driving desire to see young people find Christ and in doing so, find true joy.

Quintell communicates the gospel to all generations. A wise preacher gains knowledge from “many sources” and applies that knowledge to reach and train people for Christ. Quintell does exactly that! It is with my highest recommendation to endorse Quintell Hill.
